

Insurance Quick Guide

Basic Insurance

Every registered Member of the Girl Scouts of the USA is automatically covered under the Basic Activity Accident Insurance (Plan 1). To assure coverage of all registered Members, the entire cost of the Basic Plan is paid for by the Girl Scouts of the USA.

Plan One

Plan 1 Accident Insurance:

The Basic Plan covers both non-registered and registered Members for any approved, sponsored and supervised Girl Scout activity.

This Plan provides basic accident protection (not medical expenses/sickness)

Cost: Included in membership

Supplemental Coverage

When participating in Girl Scout activities not covered under the Basic Activity Accident Insurance (Plan 1) the purchase of supplemental insurance is strongly recommended but not required.

USAGSO committees operating in countries that either require or provide insurance may opt out of purchasing supplemental insurance.

This Plan provides both accident and sickness coverage

Plan Three (PI)

Important Notes for Optional Plans

- Insurance must be ordered for the period of time beginning with the day the participant leaves home through the day the participant returns home. (i.e., event scheduled June 1 through June 5 equals five calendar days)
