SPRING INTO SUCCESS: ENDING THE YEAR STRONG

As spring is in full swing and cookie season comes to a close, it's the perfect time for Juliettes to reflect on all they've accomplished this year and finish strong. From setting goals and building skills to showing leadership and giving back, this season is all about celebrating growth and making the most of the months ahead.

Juliette Girl Scouts can use the Honor Juliette requirements as a helpful guide to wrap up their year with purpose. Whether it's completing a Take Action project, participating in council activities, exploring new badges or patches or staying connected with the Girl Scout community, these steps help ensure a meaningful and well-rounded experience.

Take this time to revisit your goals, try something new and celebrate everything you've achieved- your Girl Scout year isn't over yet!
