NEW GIRL SCOUT YEAR, NEW GIRL SCOUT ADVENTURES!

As we begin the new membership year with USAGSO, Juliette members are stepping into a world of exciting possibilities! Whether living abroad, traveling, or working on personal goals, Juliette members can explore badges, service projects, and more, while developing leadership skills and making a global impact. This year brings new activities, virtual events, and support to help girls create their own Girl Scout experience, wherever they are. We'd love to hear how we can better support Individually Registered Girls! Please take a moment to fill out this form and share your thoughts with us!

WHAT'S TRENDING?

New Leadership Awards have arrived at USAGSO!

This is a new and improved way to challenge yourself and strengthen your leadership skills!

Journeys are making a slow exit in the Girl Scout program. They will be available this year, for the last time. Check out the New Leadership Awards HERE
